

June

Topic: Children's Vision Month

Instructions:

1. Click "Download" and open the JPG from the Social Media zip file
2. Copy and paste the suggested social media copy shown below
3. Paste into your social media page
4. Double-check the copy and image to ensure they look good/correct before posting

Image name: Social_Media_Toolkit6.jpg

Suggested Social Copy: Did you know it is recommended that children get their first comprehensive eye exam by age three? During this exam, VSP® network eye doctors can identify and treat common children's vision issues like refractive errors and misalignment.
