

## Doctor of Optometry

VSP Global is committed to providing professional opportunities for Doctors of Optometry. That's why we're connecting you to Premier Program providers recruiting for openings at their private practices.

This full-time opportunity for a **Doctor of Optometry** is available at a private practice in California, with locations in Sacramento and Roseville.

### WHY YOU SHOULD APPLY

This successful, upscale Optometry practice is growing, and long-term opportunity is on the horizon for the right Doctor of Optometry. If you're looking to join a tight-knit team, want to work with the latest optometric technologies, interested in exploring a specialty of your interest, and intrigued by a potential future partnership/ownership opportunity in California, this is your chance!

Located in America's farm-to-fork capital, Sacramento offers local artisanal coffee and craft brews, picturesque neighborhoods, freshwater rivers and lakes, and culturally rich activities and events. One of its greatest advantages is the ideal weather—hot summers with low humidity and cool nights, plus mild winters and subtle weather changes that allow the changing of seasons. Its proximity to some of California's most visited destinations—Lake Tahoe, San Francisco, Napa, Monterey, Santa Cruz and Yosemite, to name a few—make it an ideal choice to practice.

### ABOUT THE PRACTICE

First established in 2003, this practice found a new home in Sacramento in 2018—at a brand new, state-of-the-art facility designed by Eye Designs. After caring for Sacramento families for 9 years, the practice expanded in 2017 and opened a second location in Roseville, both providing a full scope of optometric services for all ages. Fifteen years after first opening, the practice staff has grown to include two providers and 11 staff members across the two locations.

The Sacramento practice hiring is conveniently located in a professional medical complex. The office is suited with top-of-the-line optical equipment, including a retinal camera, OCT, Humphrey visual field, and automated refracting systems throughout exam rooms. The practice uses cloud-based software that supports a paperless environment, enabling electronic medical records and charting from anywhere. Patients enjoy an upscale ambiance while they shop top brand eyewear in the optical boutique.

### ABOUT THE OPENING

The practice is seeking a Doctor of Optometry to provide high-quality care for patients of all ages, insurances, and visual/medical diagnoses. The current office hours are 8:30 a.m. to 5:30 p.m. Monday through Thursday and 8:30 a.m. to 3:30 p.m. on Fridays.

To be successful in this role, you must show demonstrated leadership, communication, and interpersonal skills, as well as compassion for patient health and safety. The ideal candidate will be honest, service-oriented, and dedicated, with a talent for promoting practice growth by means of word-of-mouth patient referrals. Additionally, the minimum qualifications include:

- Doctor of Optometry license in the state of California
- TPA and Glaucoma Certification

As a full-time employee of the practice, you'll enjoy a range of benefits, including:

- Medical coverage (50% premium paid by employer)
- Vision and dental coverage
- Paid vacation, sick, personal, and holiday time
- Quarterly team outings, summer BBQ, and holiday parties
- 401(k) options after two years of employment
- Eyewear discounts
